

# ANRS MIE Young Basic research Community Network

## Paperwork Club (AMYB-PwC) – Edition II

### Opportunity to publish a review article

- Develop your writing skills 
- Cultivate your knowledge and go into your expertise in depth 
- Promote collaborative efforts and scientific discussions 

## CALL FOR *REVIEW ARTICLE WRITING APPLICATIONS*

The ANRS MIE supports the AMYB Paperwork Club, a collaborative initiative that brings together postgraduate students and early-career researchers to collectively write a review paper within the scope of ANRS MIE, covering areas such as HIV/AIDS, viral hepatitis, STIs, tuberculosis, respiratory viruses, emerging, and re-emerging infectious diseases.

### Who can apply?

**Master 2 or PhD student(s)** affiliated with a French University or working in one of the ANRS MIE partner sites.

**Early-career researcher(s)** currently working or who have worked in collaboration with ANRS MIE or working on a topic covered by ANRS MIE.

**Application Deadline: OCTOBER 1<sup>st</sup>, 2025 (23:59pm, GMT+1)**

Review papers will be published in open-access peer-reviewed journals. Article Processing Charges will be covered by AMYB-PwC.
