General terms and conditions

Application procedure

- The application may be written **in French or in English** and must include **all the information necessary for its evaluation**.

- The deadline for submitting applications is **18 January 2027** (23:59 Paris time). No additional documents will be accepted after the closing date.

- The application must be submitted **online via the Apogée platform** (section ‘AAP Exceptionnel’).

Documents to provide

The application must include:

- the **completed application form** (mandatory document - available on ANRS MIE's website and the Apogée platform);
- a **letter of recommendation** from one of the candidate's direct supervisors (professor, laboratory or department manager, etc.), confirming the candidate's potential and expressing support for his or her approach (mandatory document);
- copies of **relevant diplomas** (mandatory document);
- the **'Etudes en France' certificate (confirmation of acceptance/pre-enrollment)** (mandatory document for degrees connected to the 'Etudes en France' system. All candidates are invited to consult the Campus France website for their country or territory of residence about the application schedule).

Evaluation criteria

As indicated in the text of the call for applications, the evaluation criteria are as follows:

- the **candidate's background** (experience, academic background, and consistency with their choice of master's programme and internship);
- the **candidate's motivations and career prospects** (choice of master's programme and internship, career prospects in research and consistency with the choice of master's programme and internship);
- the **recommendation** of a scientific supervisor;
- **collaboration with a partner site/PRISME** within the ANRS MIE International Network (experience of collaboration and/or motivation and interest in collaborating);
- the **compilation of the application** (clarity of the application, completeness of the application, quality of writing).

Apogée platform: access the application submission section

Introduction

- Apogee is the **ANRS MIE's platform** used for all calls for projects and calls for applications launched by the agency.
- Candidates **submit their applications** on Apogee during the call, and the reviewers then have access to the files assigned to them to complete the evaluation.
- **Apogee's main interface is only available in French** (a translation guide is provided in the next pages).

⚠ **IMPORTANT**

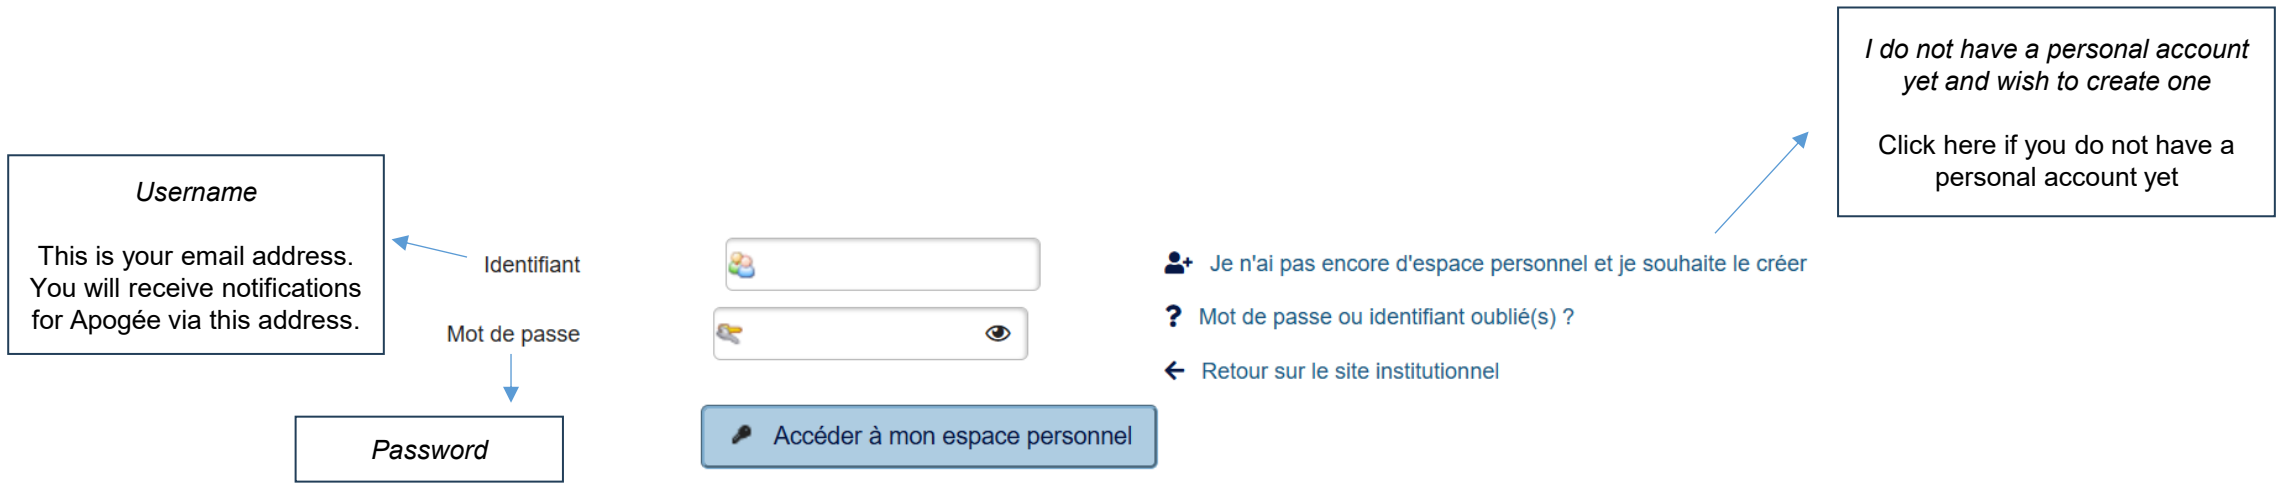

To navigate properly on Apogee, always use the "Back" and "Next" buttons on the bottom of every page.

Do not use your navigator's arrows.

Connexion to the Apogee platform

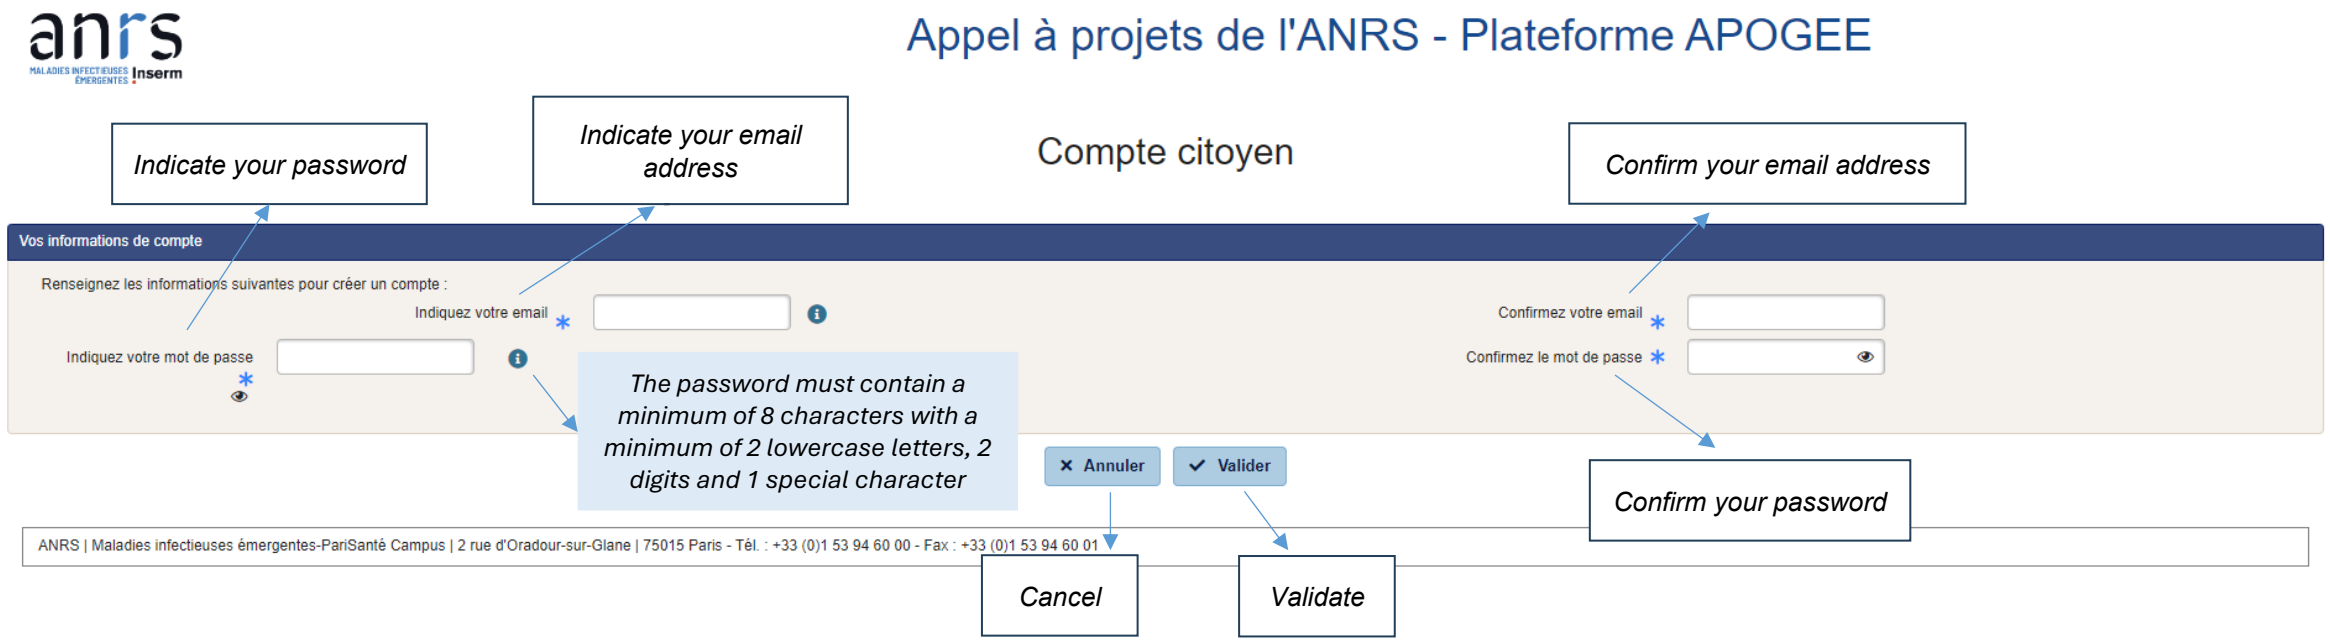

→ Link

→ At the bottom of Apogee home page, **create or access to your personal account**.
